

A. Specific Aims

The aims, **as actually funded**, may differ in scope from those stated in the original, competing application, because of Scientific Review Group (SRG) and Council recommendations and/or budgetary modifications made by the awarding component. If the aims have not been modified, state this. If they have been modified, give the revised aims and the reason for the modification.

B. Studies and Results

Describe the studies directed toward specific aims during the current budget year and the positive and negative results obtained. If applicable, address any changes to the innovative potential of the project. If technical problems were encountered in carrying out this project, describe how your approach was modified.

Revisions (formerly Supplements): If applicable, include a separate section(s) describing the results obtained by individuals supported on this grant through various revisions. Examples include Research Supplements to Promote Diversity in Health-Related Research, supplements to enhance diversity and Re-entry and/or other similar supplements to support addition of an individual or a discrete project.

C. Significance

Emphasize the significance of the findings to the scientific field and their potential impact on health.

D. Plans

Summarize plans to address the Specific Aims during the next year of support. Include any important modifications to the original plans.
